IN CASE OF A SERIOUS EMERGENCY

please contact the 24hour emergency assistance service provided by Emergency Assistance Facilities

+ 44 (0) 845 260 3260 or +44 (0) 1732 85 33 33

Call an ambulance using the local equivalent of a 999 number and then contact Emergency Assistance Facilities to offer you advice. We strongly suggest you put their telephone number **+ 44 (0) 845 260 3 260 or +44 (0) 1732 85 33 33** into your mobile phone before you travel so that it is to hand if you need it. Get details of the hospital you are being taken to so that our Emergency Assistance Facilities doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to Travel Claims Facilities at: PO Box 420, Hadlow, Kent, TN9 9DE. Our appointed assistance service, Emergency Assistance Facilities will explain this to them and provide them with a faxed/email confirmation if necessary.

You will need to have some basic information for them to hand:

- your telephone number in case you are cut off
- patient's name, age and as much information about the medical situation as possible
- name of the hospital, ward, treating doctor and telephone numbers if you have them
- tell them that you have Holidayrisk Gold Travel Insurance, policy number and the date it was bought patient's UK GP contact details in case they need further medical information

Things to be aware of/remember

- **your policy does not cover any costs private medical treatment unless authorised by us.**
- **NEVER** give your passport to a clinic or hospital.
- It is not always possible to return home immediately after discharge following injury or illness, you will be able to return home when the assistance service considers it safe and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS

If you need to see a doctor ask your hotel reception or tour representative for the nearest public/state medical facility, Some hotels will urge you to seek private treatment, however this is not necessary, private medical facilities vary greatly and are not equipped to deal with all emergencies, they may give you unnecessary treatment and at inflated prices- if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe you should show them your EHIC card, medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by Emergency Assistance Facilities. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return. In the event that you need to seek outpatient treatment when you are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom we have appointed to act on our behalf. To take advantage of this service please show the treating doctor or clinic the logo printed here as this will enable them to identify our membership and avoid language difficulties. If the hospital you are treated at subscribes to this service they will ask to see your proof of insurance so it is important to carry this with you. You will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from you and send their bill to charge care for payment. The countries where this service is available are: Spain and all the Spanish Islands, Greece and the Greek Islands, Cyprus, Bulgaria, Egypt and Turkey. www.chargecareinternational.co.uk

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured, only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact Emergency Assistance Facilities on **+44 (0)845 260 3 260 or +44 (0) 1732 85 33 33** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the UK then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities.

YOUR POLICY WORDINGS	<p>Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered); if your circumstances do not fit those specified then there is no cover in place.</p>
CANCELLING YOUR POLICIES	<p>You have a 'cooling off' period where, should you decide that you find that the terms and conditions do not meet your requirements and provided you have not travelled or claimed on the policy, you can advise Holidayrisk within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14 day cooling off period, and can confirm that there have been no claims on the policy and that you have not travelled, in addition to a £15 administration charge; the following cancellation terms will be applied dependant on what type of policy you have purchased.</p> <p>Single Trip policies-In the event you have not travelled and are not claiming on the policy, a refund of 50% of the policy premium and any additional premium applied to your existing medical conditions will apply. If you have travelled or are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium.</p> <p>Annual Multi Trip policies- Provided you have not made a claim (irrespective of whether your claim was successful or not) on the policy and you confirm in writing that there is no claim pending, should you chose to cancel and understand that all benefits of the policy will be cancelled, we will refund 5% of the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. If you are intending to, or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. We reserve the right to give 7 days' notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances; fraud, suspected fraud, misleading information or deliberate misrepresentation, abusive behaviour to any of our staff or agents.</p>
BE CAUTIOUS	<p>This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage <i>as if you had no insurance cover.</i></p>
PREGNANCY	<p>Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential if at the time of booking your trip you are aware that you are pregnant that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that after booking you discover travel is advised against or you are unable to receive the appropriate and required vaccinations for that country.</p>
MEDICAL COVER	<p>Your travel policy is not private health insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. If you have an existing medical condition accepted by Travellers Health Check it is a requirement that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be given if travel is against the advice of your doctor.</p>
EHIC	<p>The European Health Insurance Card (EHIC) allows you (provided you are a UK resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx</p>
MEDICARE	<p>If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.</p>
YOUR CONTRIBUTION	<p>Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses (your contribution) shown for this policy are payable by <u>each</u> insured person, per section and for each incident giving rise to a separate claim. Your contribution may be increased to include existing medical conditions confirmed in writing by us. The increased contribution will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.</p>
